

**Have you done a breast self-exam every month this year?  
Have you had your breast checked by a healthcare professional this year?  
Have you had a mammogram this year?**

*If you answered « NO » to every question  
It is time you take care of yourself.*

**EARLY DETECTION SAVES LIVES**

*Based on your age, learn what to do  
Every woman is concerned.  
Act now.*

Send this message to every woman you know  
Email it, print it or mail it.  
We must all play our part.  
It is our responsibility.
